

OCT 20 1982

Docket No. 50-409

Dairyland Power Cooperative
ATTN: Mr. F. W. Linder
General Manager
2615 East Avenue - South
La Crosse, WI 54601

Gentlemen:

In reference to our letter of July 15, 1982, concerning admittance of U.S. Nuclear Regulatory Commission personnel to your facility, we request that you add the following name to Enclosure 1 to provide for unescorted access to vital and protected areas within the LACBWR facility.

This certifies that the individual listed below is an employee or contractor of the U.S. Nuclear Regulatory Commission. To our knowledge, the individual does not possess adverse character traits or indications of aberrant behavior. This person has been screened to the national level (including a criminal records check); no disqualifying offenses were noted. Trustworthiness has been determined by a review of the individual's employment records. Based on the above, I recommend that this individual be granted unescorted access to the vital and protected areas of your facility.

<u>Name</u>	<u>Region III Organization</u>	<u>Badge No.</u>	<u>Clearance</u>
Roger Walker	Reactor Projects	A154	Q

A "Q" access authorization is based on a satisfactory full-field investigation conducted by the Office of Personnel Management (OPM), the Federal Bureau of Investigation (FBI), or another U.S. Government agency which conducts personnel security investigations. An "L" access authorization is based on a satisfactory National Agency Check (NAC) conducted by the Office of Personnel Management.

Sincerely,
Original signed by
A. Bert Davis

James G. Keppler
