Re: In The Matter of Commonwealth Edison  
Company, Byron Station, Units 1 & 2  
Docket Nos. 50-454 and 50-455

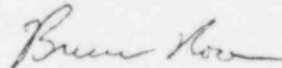

Dear Mr. Goldberg:

Enclosed please find one copy each of the League's proposed Interrogatories to the Staff and the League's Motion for Production of Documents identified in the Staff's Answers. After you have had an opportunity to look over both of these documents, I would appreciate hearing from you so that we can discuss which of these matters may be handled on an informal basis, pursuant to the conversation which you had with Peter Flynn by telephone during the prehearing conference on October 14, 1982.

Because of the rapidity with which the discovery period is drawing to a close, I would appreciate hearing your thoughts on this matter as quickly as possible.

Thank you for your willingness to discuss this matter on an informal basis.

Sincerely,

Bruce Rose
