Mr. James G. Keppler
Regional Administrator
Region III
U.S. Nuclear Regulatory Commission
799 Roosevelt Road
Glen Ellyn, IL 60137

Dear Mr. Keppler:

In accordance with Mr. Hind's letter of May 12, 1982 we are writing to confirm the rescheduling of our 1983 Annual Exercise from April 5, 1982 to October 27, 1983. This change is being made to avoid conflicting with the 1983 Refueling Cycle currently scheduled for the First Quarter of 1983. As the 1982 Annual Exercise was conducted on July 28, 1982 the rescheduled date is within 15 months of the previous exercise. Hence, we believe the time interval between exercises is consistent with the NRC definition of annual.

If you have any questions concerning the rescheduling of this date, please contact Randy Portz, Emergency Planning Assistant (319-393-8174).

Very truly yours,

Larry D. Root
