King of Prussia, PA 19406

Dear Sir:

Attached please find Applied Health Physics, Inc. report on radiological surveys of the two drilling sites contaminated with Americium 241 near Jollytown, Pennsylvania. This report is submitted as documentation that a thorough radiological survey of both drilling sites as required in your letter of September 3, 1982, has been completed.

In accordance with my September 30, 1982, phone conversation with Mr. Kinneman and Mr. Nicolosi, I am forwarding our reply to questions one through six of your letter of September 22, 1982 under separate cover.

Sincerely,

A handwritten signature in dark ink, appearing to read "Donald M. Self".
