

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

November 30, 1990

The Honorable Bob Graham, Chairman
Subcommittee on Nuclear Regulation
Committee on Environment and Public Works
United States Senate
Washington, D.C. 20510

Re: Kerr-McGee Chemical Corporation v.
U.S. Nuclear Regulatory Commission,
No. 90-1034 (D.C. Cir. filed
November 14, 1990)

Dear Mr. Chairman:

This is to inform you of the above-captioned petition for review recently filed by the Kerr-McGee Chemical Corporation against the Nuclear Regulatory Commission (NRC) in the United States Court of Appeals for the District of Columbia Circuit. Kerr-McGee seeks review of three Commission decisions: (1) the decision to amend the existing Agreement between the NRC and the State of Illinois so as to permit Illinois to assume regulatory authority over uranium and thorium mill tailings, see 55 Fed. Reg. 46591 (1990); (2) the decision to deny Kerr-McGee's motion requesting a full adjudicatory hearing before deciding whether to amend the Agreement with Illinois, CLI-90-09; and (3) the decision denying reconsideration of CLI-90-09, CLI-90-11. Kerr-McGee seeks an order from the court barring the NRC's relinquishment of regulatory authority contained in the amended agreement with Illinois. No briefing schedule has, as yet, been set by the court.

Sincerely,

John F. Cordes, Jr.
Solicitor
