Docket No. 030-09792-CivP

Dear Administrative Judges:

On March 25, 1994, the NRC Staff and Indiana University School of Medicine (Licensee) filed a joint motion for the adoption of a hearing schedule and statement of issues. It has come to my attention that the joint motion as filed, contains two signatory pages. One page has my signature only. The other page has counsel for Licensee's signature only. To obviate any confusion, I have enclosed a single signatory page containing signatures of both counsel.

Sincerely,

Michael H. Finkelstein  
Counsel for NRC Staff
