

Prehearing Conference

In light of the agreement on scheduling and issues reached by the Staff and Licensees, both parties agree that a prehearing conference is not necessary at this time. In the event that the Board determines that it is necessary to hold a prehearing conference at this time, the parties suggest that such a conference could be held on the record by telephone.

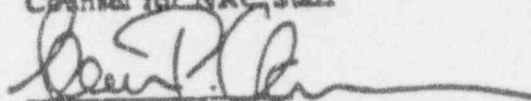

Conclusion

The Staff and Licensees jointly move the Board to adopt the hearing schedule and statement of issues set forth above.
