Mr. Thomas,

Please note, that this is to notify your agency, that Etched Circuits, Inc., located at the above address, will be closing this facility over the next few months. At present, we propose to vacate the facility by Jan., 1990.

Due to this upcoming closure, we are allowing our NRC License (ref- #29-20866-01) to expire. I have enclosed a completed NRC form 314, as required. The isotopes, in house, are being returned to Glenbrook Technologies, Inc., according to regulations, for disposal.

Swab tests will be done on the equipment, to check for residual radiation prior to it being removed from the facility. The workplace area will also be checked for contamination prior to us vacating the facility.

All files and pertinent data will after closure, will be housed at our corporate headquarters located at the following address;
