SUBJECT

Confirm return of sealed sources (I-125) from Etched Circuits (29-20866-01)

SUMMARY

Mr. Horn stated that he would need to check into the matter.

Mr. Horn

10/4/90 Spoke with Richard Yestman of Etched Circuits. Etched Circuit shipped one source already but Glenbrook doesn't have a record of it. Mr. Horn will check with UPS. The second source is still with Etched Circuits but is to be shipped to Glenbrook. I told him that if he spoke with Mr. Yestman that I am appraised of the situation and can not retire his license yet. Etched Circuits is in technical violation of their license at this time.

10/18/90 Mr. William Horn of Glenbrook Technologies stated that he is now in possession of all the sealed sources issued to Etched Circuits. Wrong serial # was given in one case. One source received in 9/90 the other in 10/90.
