RE: Invoice Nos. AT-0479-93 and AM-00567-93

SNM-180

Dear Sirs:

The University of Texas has initiated a request for an exemption to the fees of part 171, (see letter August 10, 1993 from J.R. Giddings to S.J. Hilk). Pertinent considerations for exemption status for part 171 fees have not been determined as noted in the "Notice to Nonprofit Educational Institution Licensees" August 6, 1993. The same notice, however, extends the payment due dates and time for exemption requests.

The intent of The University of Texas is to apply the same considerations for exemption of the reactor license, R-129 (invoice # AT-0479-93) and the subcritical assembly license, SNM-180 (invoice # AM-00567-93).

Sincerely,

*Thomas L. Bauer*
