RE: NRC Demand for Information dated 11/05/90

Dear Mr. Martin:

In its November 20 response to NRC's Demand for Information, Sequoyah Fuels Corporation (SFC) committed to an impartial comprehensive management assessment, as requested in the Demand. To ensure that SFC's proposal for this important work is fully responsive to NRC's concerns, SFC respectfully requests an extension of the time frame for submittal of this proposal until December 19. The additional time will provide SFC ample opportunity to prepare a responsive proposal.

Should you have any questions or comments regarding this request, please contact me at 918/489-3206, or Lee Lacey at 918/489-3207.

Sincerely,

A handwritten signature in cursive script that reads 'Reau Graves, Jr.'.
