SUBJECT: Registered User Request - CNSI
1-13G Shipping Cask
GE-1600

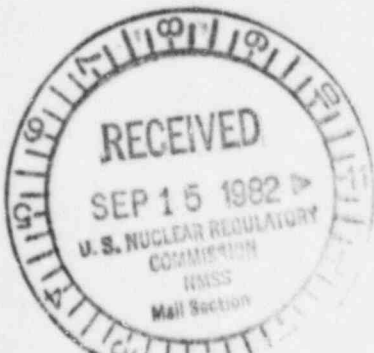

DOCKET #50-267

Dear Mr. MacDonald:

Public Service Company of Colorado (PSC) intends to utilize Chem-Nuclear Systems, Inc. (CNSI) shipping cask 1-13G to transport radioactive materials from the Fort St. Vrain Nuclear Generating Station operated under Facility Operating License No. DPR-34, Docket No. 50-267. This shipping package is licensed by CNSI under Certificate of Compliance No. 9044, Revision 7 and bears Identification No. USA/9044/B()F.

PSC is in possession of a copy of Certificate of Compliance No. 9044, Revision 7, dated December 23, 1980, and all documents and their attachments referenced therein.

PSC commits to comply with the terms and conditions of the subject certificate as well as the applicable regulations which govern the use of this packaging and the shipment of authorized radioactive materials from the Fort St. Vrain facility.

FEE EXEMPT

-2-

In accordance with the general license provisions of Paragraph 71.12(b) of 10CFR Part 71, it is requested that Public Service Company of Colorado be registered as a user of the CNSI shipping cask 1-13G: GE-1600.

Early acknowledgement of PSC registration as a user of the subject shipping cask will be appreciated.

Very truly yours,

Frederick J. Borst
Radiation Protection Manager
Fort St. Vrain Nuclear
Generating Station
