Gentlemen:

SUBJECT: CONFIRMATION OF ACTION LETTER

This refers to a telephone conversation between Mr. Charles M. Hosey of this office and you on November 30, 1990, concerning activities conducted under your NRC license.

With regard to the matters discussed, it is our understanding that you will voluntarily suspend the administration of radiopharmaceuticals to patients until the authorized user specified in your NRC license has reviewed your procedures for the safe use of licensed material and has instructed the physicians and technologists performing nuclear medicine activities at your facility in the principles of radiation safety appropriate to the each individuals use of licensed material.

If your understanding of our discussion is different from that above, please inform this office promptly.

This Confirmation of Action Letter does not preclude the NRC from issuing an Order, which could require additional specific action related to this matter.

Sincerely,

JS

J. Philip Stohr, Director
Division of Radiation Safety
and Safeguards
