Dear Fred,

This is to urge you to support

HR 3200, the Older Workers Benefit Protection Act

My position on this is that employers who

do not pay sick leave voluntarily and

avoid paying benefits shift the burden of

meeting their needs onto government. Both

state and federal. In the private sector

is done by shortening hours of employment.

Having persons part time when they are

to work full time should be accompanied

by paying proportional benefits, food upon

home worked.

Minerty, Minert

George H. Minert

Just I just thought of something which you may know

about but I have never seen it mentioned. How would workers

be able to be paid in cash? +

There would be no more regard than when the

unions were there. Are there any more?

Dear
