Mr. George McCann
Chief of Licensing Section
Nuclear Regulating Commission
799 Roosevelt Road
Glen Ellyn, IL 60137

Dear Mr. McCann,

I am in receipt of the acknowledgement of the safety inspection conducted on October 24, 1990 by Mr. Gary L. Shear. I have enclosed a copy of the signed acknowledgement for you records. In addition to this, I have included a list of the hospitals serviced by Northern Medical Imaging. A new hospital listing will be submitted to you each year hereafter pursuant to license condition #10F.

This is to also inform you that the individual radiopharmaceutical doses are being assayed prior to all administrations at each site pursuant to license condition #15 and a record of the daily decontamination surveys pursuant to license condition #10, are being kept as permanent record in our licensed facility at 101 Park Ave SW.

I want to thank Mr. Shear for his cooperation during the inspection.

Sincerely,

Dennis Clemenson
