Dear Ms. Wright:

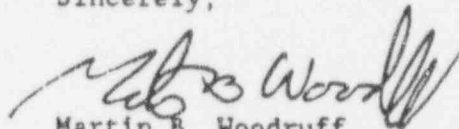

Effective 7 May 1994, the Export License issued to Poco Graphite, Inc. (XMAT0326 Amendment No. 4) will expire.

Prior extensions have been subject to our customer in Singapore receiving an import and export certificate by the Trade Development Board of Singapore. Three certificates have been issued in the past (1988, 1990 and 1992) for a period of 24 months each. A new application for import certificate has been made requesting a period of 60 months.

In that POCO has shipped about 50% of the tonnage allowed by License and that our shipments to Singapore over the last four years have been within established controls, POCO respectfully requests an extension of our Export License for a period of five (5) years. Our check for \$5,300.00 will be forwarded under separate cover.

Any questions concerning this request should be addressed to our Export Manager, Mr. David Dodson, ext. 311, or the undersigned, ext. 235. Thank you for your assistance.

Sincerely,

Martin B. Woodruff  
Manager, Administration
