Gentlemen:

SUBJECT: EXAMINATION REPORT

During the week of November 12, 1990, the NRC administered an examination to an employee of your organization who had applied for a license to operate your PUR-1 Reactor. At the conclusion of the examination, the examination questions and preliminary findings were discussed with the member of your staff identified in the enclosed report.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosures will be placed in the NRC Public Document Room.

Should you have any questions concerning this examination, please contact us.

Sincerely,  
 Original signed 'y:

Thomas M. Burdick, Chief  
 Operator Licensing Section I  
 Operations Branch, DRS
