MEMORANDUM AND ORDER
(Appointing Settlement Judge)

The Licensee and the NRC Staff have agreed that a settlement judge should be appointed in this proceeding.¹ Considering the nature of the issues, the Board believes that negotiations between the parties under the direction of a settlement judge may facilitate a fair and reasonable settlement of particular issues or the entire proceeding.

¹Mr. Paul J. Rosenbaum, President of Cameo Diagnostic Centre, orally moved that the Board appoint a settlement judge during the prehearing conference of April 26, 1994. Tr. 44-45. The NRC Staff responded April 29, 1994 agreeing to the motion.

DSO 2

Therefore, having consulted with the Chief Administrative Judge of the Atomic Safety and Licensing Board Panel, and consistent with the provisions of 10 C.F.R. § 2.722, the Board appoints Administrative Judge Peter B. Bloch to serve as a special assistant to the Board and to act as a settlement judge in this proceeding. The Board and Judge Bloch have agreed that statements made by the parties in settlement negotiations will not be revealed to the Board.

Any settlement agreement or stipulation reached in negotiations before Judge Bloch will be presented to the Board to determine whether the proposed disposition is in the public interest in accordance with the provisions of 10 C.F.R. § 2.703.

The discovery schedule is suspended until further order of the Board.
