Docket No. 50-155
(Spent Fuel Pool Modification)

Dear Mr. Semmel:

This letter is to confirm our telephone conversation of October 26, 1982. I had called you at the request of the Licensing Board Order of October 21, 1982 that the Staff confer with Christa-Maria to discuss the filing of a request under 10 C.F.R. § 2.206 to suspend or revoke the above captioned license because of emergency planning concerns. You informed me that you were familiar with the procedures under 10 C.F.R. § 2.206 but had not yet decided to file such a request.

Sincerely,

Richard G. Bachmann
Counsel for NRC Staff
