Re: In The Matter of Commonwealth Edison
Company, Byron Station, Units 1 & 2,
Docket Nos. 50-454 and 50-455

Gentlemen:

Enclosed please find an original and two copies of the Verification of Betty Johnson of the League of Women Voters pertaining to the Answers to the NRC Staff's Amended First Set of Interrogatories on Contentions 39 and 109. I had indicated in my cover letter accompanying the Answers to those two Interrogatories which went out yesterday, that Mrs. Johnson had been unavailable to have the Verification signed in time to accompany the Answers. I apologize for the delay in getting this Verification to you.

Thank you once again for your time and attention.

Sincerely

Bruce Rose
