Dear Ms. Curran:

Thank you for your letter of May 4, 1994 conveying your views on the adequacy of the NRC Staff's response to the request by you and the Native Americans for a Clean Environment (NACE) for an investigation by the NRC Office of Investigations (OI) into the November 17, 1992 event at the Sequoyah Fuels Corporation (SFC) facility near Gore, Oklahoma.

As you know, I've been tasked by the Chairman of the Commission to perform an independent review of NRC's handling of the NACE allegations and to respond to questions raised by the Chairman regarding the November 17 SFC event. I will be considering your letter as I complete my review.

Thanks for your effort in following up on our conversation.

Sincerely,
Original signed by
