Dear Sir:

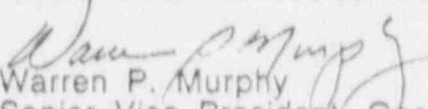

Subject: Response to Inspection Report 90-11, Notice of Violations

During a Special Inspection of Vermont Yankee's Personnel Access Control Program, conducted on August 29-31, 1990, two violations of NRC requirements were identified [Reference c)]. The purpose of this letter is to provide the necessary response pursuant to 10CFR2.201. This response is provided in Attachment A and is considered **SAFEGUARDS INFORMATION** and shall be withheld from public disclosure in accordance with 10CFR2.790.

The corrective action identified in Attachment A, in concert with the immediate corrective action implemented at the time of discovery, will result in a more effective Access Authorization Program. We are confident that you will find the information provided responsive and adequate, however, should you have any questions or require additional information, please do not hesitate to contact us.

Very truly yours,

Vermont Yankee Nuclear Power Corporation
