Dear Mr. Kingsley:

Enclosed for your information is the draft report on Pressurized Thermal Shock and the draft appendices of the report which are under review by the NRC staff. When completed, they will form the basis for a NRC Commission Paper due to the Commission on October 30, 1982. The ACRS has copies of this draft of the report and draft appendices for their review prior to the ACRS subcommittee meeting scheduled for September 30, 1982. We plan to submit the finalized version of the report to the Committee for the Review of Generic Requirements by about October 1, 1982.

Sincerely,
