NOTE TO FILES

SUBJECT: UNITED NUCLEAR CORPORATION, DOCKET NO. 70-820

On September 28, 1982, I called Mr. K. Helgeson, UNC Recovery Systems, to discuss the grid locations for the "addendum" report enclosed with Helgeson's 9/2/82 letter. The report, "Exposure Tables, December 1981," is by CEP. Mr. Helgeson located the sampling grids on the Sample Site Locations drawing submitted earlier with the April 12, 1982, Soil Decontamination Plan.

Attached is a sketch which can be used to locate the sample grids on the aforementioned drawing.
