Docket No. 50-461

Illinois Power Company
ATTN: Mr. W. C. Gerstner
Executive Vice President
500 South 27th Street
Decatur, IL 62525

Gentlemen:

This letter confirms the discussion on October 13, 1982, between Mr. H. Livermore of this office and members of your staff during which we concurred in the adjustment of the number of travelers released to construction for work as requested in a memo from J. E. Findley to H. Livermore dated October 4, 1982, entitled "Traveler Allocation". It is our understanding that no travelers associated with any Stop Work Order will be released to the field for work until the Stop Work Order is lifted after NRC concurrence.

We will gladly discuss any questions you may have concerning this matter.

Sincerely,

Original signed by
