Dear Mr. Borchardt:

Westinghouse has reviewed for proprietary material the NRC "Requests For Additional Information on the AP600" received in letters dated May 11, 1994 and March 24, 1994. Our review indicates that the RAIs contain no information that Westinghouse considers proprietary.

Please contact Brian A. McIntyre (412-374-4334) if you have any questions concerning this review.
