Docket Nos.: 50-327
and 50-328

Mr. H. G. Parris
Manager of Power
Tennessee Valley Authority
500A Chestnut Street, Tower II
Chattanooga, Tennessee 37401

Dear Mr. Parris:

Subject: Request to Uncover ERCW Lines at Sequoyah

Your letter of May 5, 1982, stated that there is a need to remove two feet of the ten foot layer of backfill over the essential raw cooling water (ERCW) lines during a five day installation period for new sewage treatment lines. We understand that this work is now to be carried out during the current outage.

We conclude that the probability of damage to the ERCW lines during this period as a result of tornadoes is sufficiently low to eliminate the need for additional protection for the ERCW lines during this period.

Sincerely,

Elinor G. Adensam, Chief
Licensing Branch No. 4
Division of Licensing
