UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

December 7, 1990

Mrs. George W. Bush
The White House
Washington, D.C. 20500

Dear Mrs. Bush:

Each year during March, the Nuclear Regulatory Commission commemorates National Women's History Month with a special program featuring as the keynote speaker a prominent American woman. My fellow Commissioners and I would be honored if you would consent to be the keynote speaker for our March 1991 program, which will be held in the ballroom of the Crowne Plaza Holiday Inn in Rockville, Maryland.

We have tentatively planned a one-hour program, with approximately 20 minutes set aside for the keynote presentation. Recognizing the many commitments you have as First Lady, we have deferred the selection of a specific date for this event to accommodate your availability in March 1991.

I am looking forward to receiving your reply with the hope that you will be able to participate in this special program. If you have any questions about our program, please have a member of your staff contact Ms. Era Marshall, our Federal Women's Program Manager, on 301-492-7082.

Sincerely,

Kenneth M. Carr
