Gentlemen:

Enclosed is the corrected CPSES Fitness-For-Duty Program Performance Data for the first half of 1990. In the referenced letter, the Confirmed Positive Test for Specific Substances (second page of the original enclosure) indicated the number of confirmed positives resulted from random tests. The corrected form indicates the number of positives from all tests (i.e., random, for cause, etc). If there are any questions, please contact the Licensing Engineer, Greg Bell at (214) 842-4373.

Sincerely,

William J. Cahill, Jr.
