RE: SHOOTARING CANYON URANIUM PROCESSING FACILITY -- EMBANKMENT AS-BUILT REPORT

Gentlemen:

The enclosed documents and photographs are submitted to fulfill the requirements of Conditions 42 and 43 of License No. SUA-1371, Docket No. 40-8698. The report entitled "Earthwork Quality Control Overview and As-Built Drawings - Construction of Stage I Tailings Impoundment and Dam -- Shootaring Canyon Uranium Project" summarizes the quality control program and findings and contains the as-built drawings of the embankment. In the "Embankment Foundation and Slush Grouting Photographs and Geologic Map" report, the photographs required by Condition 43 (b) are arranged in chronological order.

Please contact Mr. U. K. Gupta or the undersigned if you have any questions regarding these reports.

Sincerely,

Fred W. Gerdeman

Fred W. Gerdeman
