Gentlemen:

This refers to your letter of September 8, 1982, which transmitted revised drawings in support of your application for renewal of Certificate of Compliance No. 5939.

Our review of the revised drawings has identified the following areas which require resolution.

1. Drawing No. 129D4749, Rev. 2
The asterisk drawing note should not be applied to Item 5. The jacket lifting ears, Item 5, are an intergal part of the packaging and the drawing should dimensionally define the size and shape of the lifting ears. The drawing should also dimensionally define the size and shape of the tie-down ears, Item 4.
2. Drawing No. 129D4750, Rev. 2
The asterisk drawing note should not be applied to Item 10, Lid Lifting Lug.

Revised drawings should be submitted within 30 days from the date of this letter.

If you have any questions regarding this matter, we will be pleased to meet with you and your staff.

Sincerely,

Original Signed by
