Emergency Plan

Gentlemen:

Enclosed is a copy of Revision 14 of the Waterford 3 Emergency Plan which is submitted in accordance with 10CFR50.54(q). Revision 14 supersedes Revision 13 which was filed with the NRC via LP&L letter W3P89-2151 dated December 12, 1989. This submittal is provided under affidavit per requirements of 10CFR50.

The changes to the Waterford 3 Emergency Plan made by Revision 14 do not decrease the effectiveness of the plan. Furthermore, the plan, as changed, continues to meet the standards of 10CFR50.47(b) and the requirements of Appendix E to 10CFR50. Attached is a synopsis of Revision 14.

Please note that page I-8 of the Emergency Plan contains a radio frequency which is considered personal information. The single page with the personal information is attached; it is requested that this information be withheld from the public pursuant to 10CFR2.790. The enclosure contains no personal information and may be considered a public copy.
