(Technical Specifications Replacement)

Dear Administrative Judges:

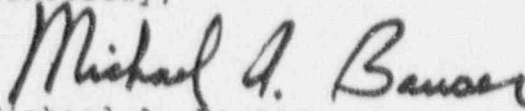

Enclosed, for the information of the Appeal Board, is a copy of a "Motion to Withdraw" filed by the Nuclear Energy Accountability Project (NEAP) in another proceeding. The Motion states, in part, that "NEAP will be dissolved effective December 31, 1990." Florida Power & Light Company is in the process of drafting and will promptly file a pleading addressing the

significance of NEAP's dissolution to this proceeding, where it is the sole appellant.

Sincerely,

A handwritten signature in cursive script that reads "Michael A. Bauser". The signature is written in dark ink and is positioned above the typed name.
