Gentlemen:

DOCKET NO. 50-266
APPROVAL FEE FOR IN-SERVICE INSPECTION EXEMPTIONS
POINT BEACH NUCLEAR PLANT, UNIT 1

In response to a letter dated September 23, 1982 by Ms. Reba M. Diggs, Facilities Program Coordinator for the Licensee Fee Management Branch, Wisconsin Electric submitted a letter dated October 11, 1982 with an enclosed check in the amount of \$1,000 (Check No. 697139) for the review and approval of our exemption request.

In keeping with your staff's determination that a Class III approval is appropriate for the subject application, a 10 CFR 170.22 fee of \$4,000 should have been remitted with our October 11 letter. Accordingly, we are providing herewith a check for the difference in the amount of \$3,000.

Very truly yours,

Assistant Vice President

C. W. Fay
