Gentlemen:

This confirms our plans, as discussed between T. P. Joyce of your staff and M. J. Farber of this office on December 27, 1990, to hold a management meeting on Thursday, January 3, 1991, 1:00 p.m. (CST), at the Zion Station. The purpose of the meeting is to review Zion Station's progress in the implementation and execution of the Management Action Plans program, recent Emergency Diesel Generator events and their impact, and other topics of mutual interest.

Should you have any questions regarding this meeting, please contact M. J. Farber of my staff.

William L. Stoney
for Hubert J. Miller, Director
Division of Reactor Projects
