SUBJECT: CONFIRMATORY ACTION LETTER (CAL) RIII-90-019

- References:
- (1) Confirmatory Action Letter from A. Bert Davis to Cordell Reed, dated October 4, 1990
 - (2) Commonwealth Edison Response to CAL RIII-90-019 to A. Bert Davis from T. J. Kovach, dated November 5, 1990

This letter acknowledges your actions taken in response to our Confirmatory Action Letter (CAL) dated October 4, 1990, regarding the Braidwood Unit 1 loss of reactor coolant inventory from the RHR suction line which occurred on October 4, 1990.

Based on a review of your findings identified in your response to the CAL and the corrective actions described during the enforcement conference held on December 11, 1990, at the Braidwood Nuclear Station, I believe that sufficient corrective actions are planned which should prevent recurrence of this event. We will monitor your progress on completing the corrective actions during future routine inspections. Accordingly, Confirmatory Action Letter (RIII-90-019) is considered closed.

Sincerely,

A. Bert Davis
Regional Administrator
