APPARENT FALSE STATEMENT AT THE ZIMMER ACRS SUBCOMMITTEE

I have attached for your convenience a copy of the May 16, 1979 letter describing apparent false statements made to the ACRS during the Zimmer review. This matter is currently being investigated by I&E. It is expected that the investigation will be completed by early July. Discussions on this matter have been scheduled for the morning of June 14, 1979. John Stolz, Walter Haass and Dudley Thompson will be available to answer any questions which you might have.
