Docket No. 50-313

Mr. William Cavanaugh, III  
Senior Vice President,  
Energy Supply  
Arkansas Power & Light Company  
P. O. Box 551  
Little Rock, Arkansas 72203

Dear Mr. Cavanaugh:

By letter dated December 1, 1981, you submitted the final Emergency Feedwater System upgrade design information for Arkansas Nuclear One, Unit No. 1. In discussing this with your staff we find that some details were not completed, particularly with regard to electrical schematic diagrams showing control circuitry of the EFW pumps and valves. We request these diagrams when they are finalized and a schedule for your submittals.

Sincerely,

Original signed by

John F. Stolz, Chief
