Gentlemen:

Thank you for your letter of September 13, 1990, in response to our letter and attached Notice of Violation (NOV) both dated August 21, 1990. We have reviewed your reply and determined that you did not answer adequately question (3) in the last paragraph of the August 21, 1990, NOV for all four of your violations. As you mentioned in your September 13, 1990 letter, we know that you will cooperate fully with the Commission, review, and pay closer attention to our requirements. However, we need more specific information of actions you have taken (i.e., procedure changes, administrative controls) or plan to take to avoid further violations.

Please respond to this letter within 10 days of the date of this letter. Should you have any questions concerning this letter, we will be pleased to discuss them with you.

Sincerely,
