OTSB to provide PDII-3 with a draft report on the disposition of generic DPO items.	June 30, 1990
SXRB to provide PDII-3 with an assessment of the comments contained in R. Licciardo's June 19, 1990 memorandum.	July 31, 1990
PDII-3 will prepare and circulate a draft final report for staff review.	August 10, 1990
PDII-3 will provide a close-out memorandum and final report to Dr. Murley for signature.	Week of August 20, 1990

Please notify Dave Matthews if you anticipate any problems in completing these actions on the above schedule, or if any new developments arise as a result of your review. We should plan to meet with Frank Miraglia during the week of July 23 to review our progress with him.
