

OCT 18 1982

Exxon Nuclear Company, Inc.
ATTN: Mr. G. F. Owsley, Manager
Reload Fuel Licensing
2101 Horn Rapids Road
Richland, Washington 99352

Gentlemen:

This letter is to give notice that we have asked the Division of Accounting and Finance to bill your Company for the review of Topical Report No. XN-NF-512 entitled, "XN-3 Critical Power Correlation." According to our records, the report was submitted for review on July 20, 1979, and was subsequently revised by Revision 1 dated March 1981 and Supplement 1 to Revision 1 dated December 1981. It is our understanding that the Division of Licensing (DL) staff completed their review of the revised and supplemental report on July 22, 1982. Fees for this review are in accordance with 10 CFR 170.21, Category F - Special Projects and Reviews.

The total cost to be billed to Exxon is \$20,000. The review costs for topical and other reports are based on \$39 per professional staff-hour expended for the review plus any associated contractual services costs. Although the review for your report involved 401 professional staff-hours and \$23,400 in contractual costs amounting to a total of \$39,039, the maximum chargeable pursuant to 10 CFR 170.21(a)F for a topical report is \$20,000. The invoice for this amount will be sent to you by the Division of Accounting and Finance within a few days. Upon your receipt of the invoice, payment should be made to the U.S. Nuclear Regulatory Commission and forwarded to the Division of Accounting and Finance. When making payment, please make reference to the invoice number.

Sincerely,

Original Signed by
Wm. O. Miller

William O. Miller, Chief
