Gentlemen:

Enclosed is the response to the NRC staff request for additional information on
Generic Safety Issues and Unresolved Safety Issues. This response addresses
questions related to Volume II of the EPRI ALWR Requirements Document.

The enclosed information is EPRI proprietary information subject to license
restrictions. The basis on which this information should be withheld from
public disclosure is set forth in the Application for Withholding Proprietary
Information From Public Disclosure with supporting affidavit transmitted
with the September 7, 1990 submittal (References 1 and 2).

Please call John D. Trotter at EPRI, (415) 855-2786, if you have any questions.

Sincerely,

E. E. Kintner, Chairman
