COMANCHE PEAK STEAM ELECTRIC STATION
PROCESS CONTROL PROGRAM
INSTRUCTION SHEET

The following instructional information is being furnished to help insert Revision 1 into the Comanche Peak Steam Electric Station PCP. In accordance with CPSES Technical Specification 6.13b, PCP Revision 1 became effective when it was approved by the Vice President, Nuclear Operations on December 15, 1990.

Discard the old sheets and insert the new sheets as indicated below.

Holders of the CPSES PCP should keep these instruction sheets in the front of the Effective Page Listing as a record of the changes until a new listing is issued.
