United States Nuclear Regulatory Commission
Region III
Mr. D. G. Wiedeman, Chief
Materials Radiation Protection, Section 1
799 Roosevelt Road
Glen Ellyn, Illinois 60137

Dear Sir:

This letter is in response to your letter dated September 28, 1982 concerning the inspection of The Blood Center on September 10, 1982.

- Violation #1 - We are currently changing the name on the license and it will now be kept up-to-date. This will be completed by January 1, 1983.
- Violation #2 - We are currently changing the procedure and making arrangements to survey the ash. This will be completed by January 1, 1983.
- Violation #3 - We are currently changing the procedure so it will specify doing surveys on all wastebags before they are removed from the room. This will be completed by January 1, 1983.

Sincerely,

A handwritten signature in cursive script that reads "Larry Weldy".

Larry Weldy, BSMT(ASCP)SBB
