The Executive Director of Operations
The United States Nuclear Regulatory Commission
Washington, D.C. 20555

Sir:

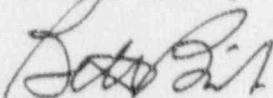

Enclosed is a request for you to institute a proceeding or for such other action as may be proper to determine if the operating license for the Comanche Peak nuclear facility owned by Texas Utilities of Dallas, Texas should be revoked, modified or suspended, pursuant to 10 C.F.R., subpart B, §2.206.

Submitted with the request are 19 supporting documents.

In reply, please contact CFUR board member Betty Brink at the address and phone number listed beneath the signature on this letter.

Thank you.

Respectfully submitted,

Betty Brink
