Babcock & Wilcox Company  
Nuclear Power Generation Division  
ATTN: Mr. D. E. Guilbert  
Vice President and General Manager  
P. O. Box 1260

Gentlemen:

Thank you for your letter dated October 8, 1982, in response to our undated letter received by you on September 8, 1982. Your corrective actions and preventive measures relating to Nonconformances E and F still appear to be incomplete; however, the likelihood that further correspondence on these nonconformances will produce the information we require is small. Therefore, we will inspect this matter in depth during our next inspection scheduled in the month of November.

Sincerely,

"Original Signed by  
U. POTAPOVS"
