ATTN: Mr. Charles E. MacDonald, Chief

NRC LICENSE NUMBER  
35-23193-01

Dear Mr. MacDonald

We would like to renew our Quality Assurance Program for Radioactive  
Material Packages No. 0563 expiration date January 31, 1991.

Please find enclosed a check in the amount of \$180.00, for the fee  
for renewal of our program.

If you have any questions or need additional information, please  
contact us and we will reply as expeditiously as possible.

Sincerely,

Jerry R. Beck  
Radiation Safety Officer
