Dear Mr. Messier:

Mallinckrodt received your letter dated August 16, 1990 stating the underpayment of the amendment fee for License 24-05804-03. We did not have the new fee schedule from the May 23, 1990 Federal Register that indicated a change of fees in Category 3P to \$300.00. You have our apology and thank you for enclosing a copy of these changes with your letter.

Enclosed with this letter is a check in the amount of \$240.00 to the USNRC. The control number is 389927.

Mallinckrodt Specialty Chemicals Company does want to pursue an amendment change to this license and we trust that the NRC can now complete their processing of the amendment.

Sincerely,

Thomas J. Byrd
