SUBJECT: ABANDONMENT OF YOUR REQUEST FOR AMENDMENT DATED AUGUST 31, 1990.

Gentlemen:

This refers to your request for Amendment dated August 31, 1990 and our teleconference on October 23, 1990 in which we requested additional information and notified you that unless a response was received in 10 days we would void your request.

We have not received a response to date.

You are hereby notified that we consider that you have abandoned your application and we have voided the request. This action is without prejudice to resubmission.

If you resubmit the same request within one year of the date of this letter, we will reactivate our review. Information submitted in response to this letter should refer to VOIDED CONTROL NUMBER 90144.

Sincerely,

Original Signed By  
Robert G. Gattone, Jr.

Dear Mr. Gattone:

Enclosed please find requested information on documentation of Dr. Thompson's and Dr. Mais' continuing education and training/experience per your letter dated October 9, 1990.

Please contact me if you need further information.

Sincerely,

A handwritten signature in cursive script, appearing to read 'D. Couser'.

Gentlemen:

We have reviewed your letter dated August 31, 1990 requesting amendment to NRC License Number 24-020234-02 and find that we will need additional information as follows:

1. In accordance with 10 CFR 35.972, physicians requesting to be added as users must show documentation of training and experience within the last five years preceding the date of request. Dr. Thompson's certification was obtained on June 4, 1982. Because Dr. Thompson was certified more than five years ago, please submit documentation of Dr. Thompson's continued education and experience using byproduct material within the last five years. Resubmit a copy of his board certification to include the entire document including his specialty.
2. In order for us to authorize Dr. Mais to use iodine-131 (excluding thyroid carcinoma) you will need to submit a copy of his board certification or documentation of his training and experience pursuant to 10 CFR 35.932 (b). This training and experience must have been obtained within five years preceding the date of the application or Dr. Mais must have had related continuing education and experience since the required training and experience was completed (see 10 CFR 35.972).

We will continue our review of your application upon receipt of this information. Please reply in duplicate, within 30 days, and refer to Control Number 90144.

Upon failure to file a response within the specified time, we will consider that you have abandoned your request and will void this action. This is without prejudice to resubmission of the application.

If you have any questions or require clarification on any of the information stated above, you may contact us at (708) 790-5625.

Sincerely,

A handwritten signature in cursive script that reads "Robert G. Gattone, Jr.".
