RE: Reply to a Notice of Violation

Gentlemen:

This is a correction from our previous reply to a notice of violation. In this letter, we mentioned that the instrument, a Ludlum, Model 14C, geiger counter would be in our possession by November 30, 1990. This was in error and should have read "will be in our possession by the first week of December, 1990".

I might mention that we have received the new geiger counter, and it was calibrated by our physicist, Steve Jones, M.S.

I apologize for this error.

Sincerely,
Karen Pate, R.T., R.
